Year 5 Autumn 2 Homework Topic Menu

Research the foods Anglo-Saxons ate and compare it to what we eat now. 	Research and make a parachute using different materials and explore how gravity affects their landing. You need to drop the object from the same height for a fair test. 	Create a poster about the Anglo-Saxons. 
Research and write a recipe for a meal that an Anglo-Saxon can eat for dinner. 	Read any book of your choice and complete a book review. 	**Surprise your teacher!** Complete any task of your choice (e.g. drawing, painting, poster, presentation, 3D model) relating to our Geography focus, which is Maps.
